Supporting Your Student at Home and School

Moby Max is assigned to students as homework on quiz and test days. This week the class has a quiz on Monday. Moby Max can be used on a smartphone, Chromebook, or computer. Go to my website and click the tab **Second Grade at Home**. From the drop down menu choose **Websites for Second Graders**. The hyperlink is below the title Moby Max. Your 2nd grader knows what to do from there. Practice Fact Fluency this week.
